Dear Hills Golf Club Members,

RE: Golf Australia Handicap and Player Insurance

Golf Australia (GA) along with the Brisbane and District Ladies Golf Association and the South East Queensland District Golf Association would like to express their sadness at the closure of the Hills Golf Club.

We can confirm that all playing member's GA Handicaps and Player's Insurance will remain active until 30/06/2022, allowing members to play in other Club, District and State competitions.

After this date your handicap will become inactive but does not lapse. When you join another club, tell them your Hills GC Golf Link number and they can transfer your handicap history over to a new Golf Link number.

The status of your GA handicaps can be found at <https://www.golf.org.au/>. Simply enter your Golf Link Number into handicap look up search.

Information regarding your player insurance can also be found at <http://clubsupport.golf.org.au/insurance>

If you have any further enquiries, please do not hesitate to contact me.

Regards,
